Kat Wildish created the Performing in NY Showcases in 2008 to give her adult students a rare opportunity: the chance to perform real classical repertoire in professional theaters in Manhattan. Small professional troupes, schools, and open-class students in various styles join the passionate international cast. Kat believes every dancer deserves the chance to achieve his, her, or their dreams of performance, regardless of age or level. You, our audience, help make this possible! Thank you for supporting the dancers who work so very hard in the studio and on-stage!!
